

Port Road, West Lakes Boulevard, Cheltenham Parade Intersection Upgrade

Dear Resident / Business Owner,

The Department of Planning, Transport and Infrastructure (DPTI) is upgrading the intersection of Port Road, West Lakes Boulevard and Cheltenham Parade. This \$6 million State Government funded project will address safety and capacity issues and provide better connectivity with the adjacent Grange Railway Line crossing.

Early works, including service relocations, began in late 2019 and will recommence in late January 2020, continuing into the second quarter of 2020. Works will be undertaken in the central median at the intersection of Port Road and Cheltenham Parade, and alongside Bunnings on Cheltenham Parade.

Speed and lane restrictions may be required at times.

Main construction works will commence in the second quarter of 2020, and are expected to be completed late 2020, weather permitting.

Access to properties will be maintained at all times throughout the works and every effort will be made to minimise impacts to surrounding properties and road users wherever possible.

For further information please:

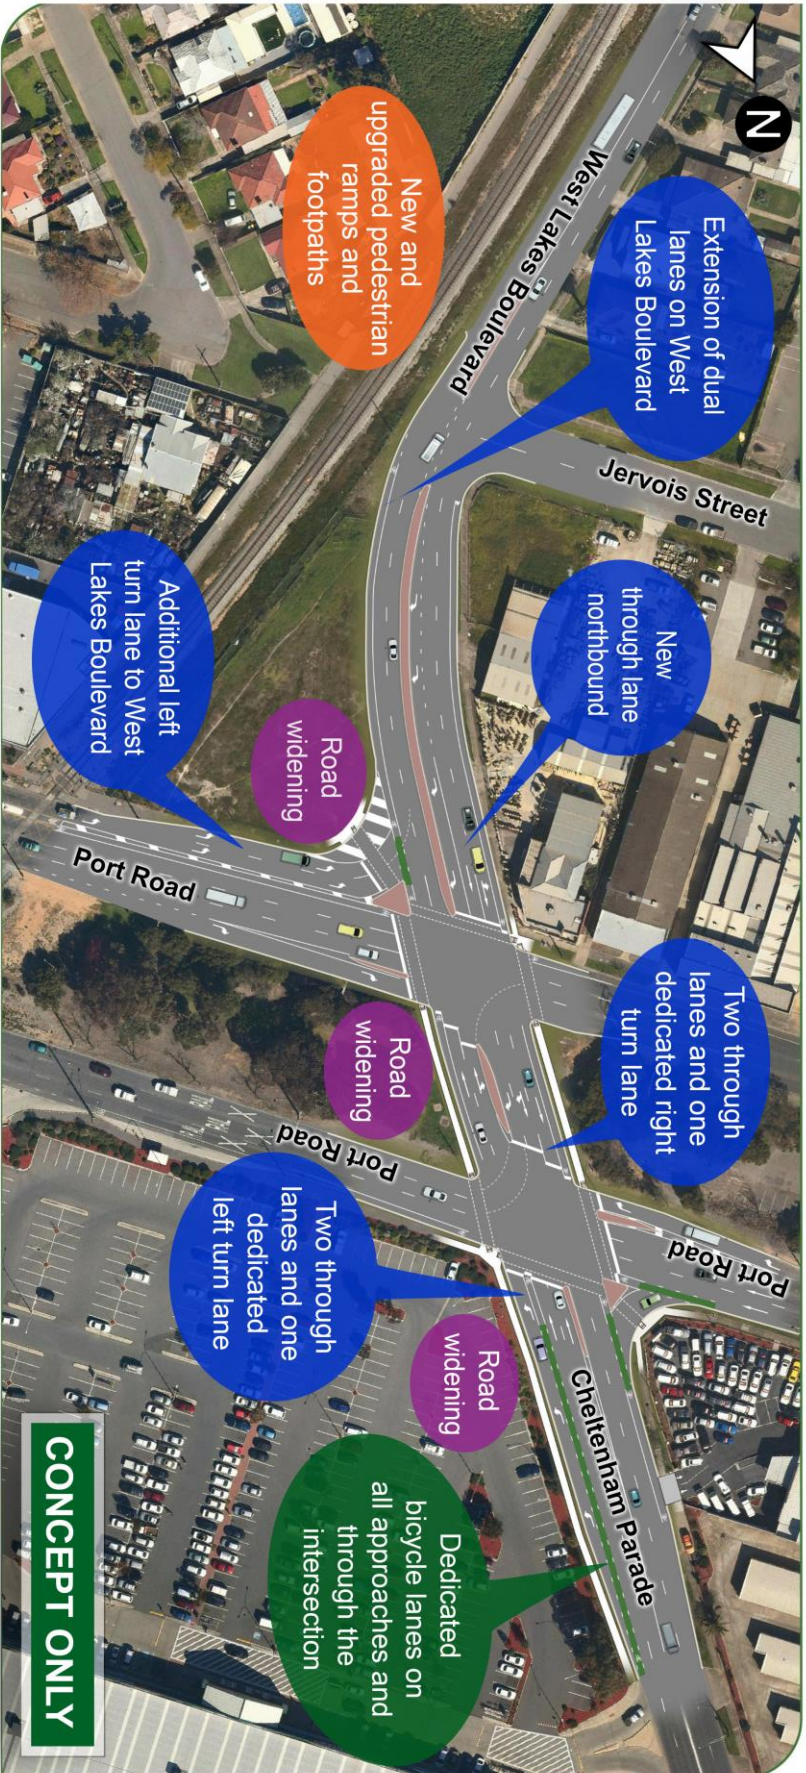

- Email: DPTI.communityrelations@sa.gov.au
- Phone: 1300 794 880
- Visit: www.dpti.sa.gov.au/port_west_cheltenham

Motorists are asked to please plan ahead and allow extra travel time, take extra care when workers are on site and observe speed and lane restrictions, and signage when travelling through the area.

Thank you for your patience while these important works are undertaken.

Kind regards,

Community Engagement and Stakeholder Team
Department of Planning, Transport and Infrastructure
