#### Insurance

With the end of the financial year approaching fast, this is a reminder to ensure you provide the Department an up to date Certificate of Currency for Public Liability and Professional Indemnity Insurance.

You can forward these Certificates to [DPTI.LicensingBookings@sa.gov.au](mailto:DPTI.LicensingBookings@sa.gov.au). You be unable to make any bookings or perform any actions as an Authorised Examiner if you do not provide up to date insurance details.

If you are a member of a driver trainer association, they will provide your updated insurance details to us. It is your responsibility however to ensure they

provide these details to us before your current insurance expires.

#### New sign on trial

It has been brought to our attention that there is trial of speed limits on Fredrick Road, Seaton. The trial involves speed limits of 40km/hr between 8.00 – 9.00 am and 2.00 - 3:30 pm on school days from 150 metres north and south of the pedestrian crossing at Seaton High School. The trial commenced on 29 January 2018. No further sites will be fitted with these signs until the findings of the trial surveys are known.

Contravention of the speed limit within the time specified on the sign is a breach of the Australian Road Rules. Road Rules that relate include:

#### 20 - Obeying the speed limit

#### 21 - Speed limit where a speed limit sign applies

#### 317 - Information on or with traffic control devices

#### 318 - Limited effect of certain traffic control devices
