

The Grove Way / Canterbury Drive and The Grove Way / Green Valley Drive Junction

Night works

We are improving road safety and accessibility in the northern suburbs.

This program involves planning, designing and constructing upgrades to improve access to and from local roads and improve access for vehicles to travel north from Salisbury Heights.

What's happening

Works on The Grove Way and Canterbury Drive junction and The Grove Way and Green Valley Drive Junction are progressing well.

To safely undertake the next stage of works, night works will be undertaken at The Grove Way and Canterbury Drive junction between Sunday 12 October 2025 and Saturday 25 October 2025, weather permitting. These works will be undertaken in addition to ongoing day works.

How this affects you

Speed and lane restrictions will be in place on The Grove Way throughout work sites. Please drive with care, follow traffic management directions and observe signage.

Two way traffic on The Grove Way will be maintained at all times. Access to Canterbury Drive will be maintained. Access to properties will be maintained where possible. Advance notice will be provided if there is a need to temporarily restrict access.

Pedestrians and cyclists, please be cautious when passing through work zones. Some areas might have limited access for safety reasons, signage will be in place to guide you to alternative routes.

Bus stops in the area might be affected for a short time. Please check the latest updates at adelaidemetro.com.au for more information.

During the works, there may be some noise and dust from time to time, but we'll do our best to keep the disruption to a minimum. Thank you for your patience while we undertake these works. All works are expected to be complete in late 2025.

When

Sunday 12 October 2025 to Saturday 25 October 2025, weather permitting

Hours of Work

Day works

Monday to Friday between the hours of 7am and 5pm
