

# Majors Road Interchange

## Finishing works and temporary access changes

### What's happening

From Monday 1 December minor finishing works will occur around the interchange. These activities will be carried out intermittently along the Majors Road Interchange, including the Shared Use Path, Adams Road, and Southern Expressway.

Most of these works will happen during the day, Monday to Friday, between 7am and 4pm. Some night works will be required and will typically take place Sunday to Friday, between 7pm and 6am.

To keep everyone safe, speed and lane restrictions will be in place in and around the intersection and expressway as required. Please follow the onsite signage for detour and pedestrian access around the work area.

#### Adams Road temporary detour

From **5pm Sunday 7 December to 5pm Tuesday 9 December 2025**, Adams Road, southbound only will be closed at the intersection of Majors Road with a temporary detour in place. To keep everyone safe, the closure will be in place continuously during the day and at night.

Majors Road will remain open in both directions with speed restrictions in place near the works. There will be no impact to bus services. Access for emergency vehicles will be maintained at all times.

Access to properties will be maintained throughout the works wherever possible via the detour routes, with advance notice provided if there is a need to temporarily restrict driveway access.

We thank the community while we undertake these final finishing works.

#### When

Monday 1 December for approximately three weeks  
Weather permitting

#### Hours of work

##### Day works

Monday to Saturday,  
7am to 4pm

##### Night works

Sunday to Friday,  
7pm to 6am
