

Wallaroo Roads Resurfacing and Rehabilitation Works

Completion of works – June 2026

We have delivered pavement rehabilitation and resurfacing works in Wallaroo

The project is jointly funded by the State Government and Copper Coast Council.

Project update

Pavement rehabilitation and resurfacing works in Wallaroo are now complete. Works have included improvements to drainage, upgraded kerb and gutter, and new line marking at the following locations:

- Irwine Street
- Sharples Road and Bowman Road
- Owen Terrace and Victoria Street
- Copper Coast Highway (Kadina Street)

A single-lane roundabout has also been constructed at the intersection of Irwine Street and Owen Terrace to improve safety and efficiency for all users. Crossing facilities were also upgraded, supporting safer pedestrian movements throughout the intersection.

These works were delivered in partnership with the Copper Coast Council.

We would like to thank the community for your support and patience while these important works were undertaken.

Ongoing Council works

Copper Coast Council are undertaking further works on the footpath and road verges along Owen Terrace, Victoria Street and Copper Coast Highway (Kadina Street).

For more information about these works, please contact Copper Coast Council directly at info@coppercoast.sa.gov.au or by calling 8828 1200.
