NOTICE OF CHANGES TO TRAFFIC CONDITIONS

EASTERN BYPASS, PORT ADELAIDE

As part of overall works for Stages 2 and 3 of the Port River Expressway project, the Eastern Bypass (the new road from Bedford Street to Francis Street, Port Adelaide) was partially opened to traffic on **Monday 17 July 2006**.

The section of the Eastern Bypass between St Vincent Street East and Bedford Street was opened to south bound traffic under speed restrictions of 25 kph.

This partial opening allows motorists to turn right from St Vincent Street East onto the Eastern Bypass. Motorists on the Eastern Bypass will encounter a Give Way sign at Bedford Street.

Traffic signals have been installed at the intersection of the Eastern Bypass and St Vincent Street East but are not yet in operation.

Motorists are advised that the north bound lane of the Eastern Bypass between St Vincent Street East and Bedford Street is not open to traffic.

Bedford Street will be open to two-way traffic under local speed conditions.

For further information on construction activities and changes to traffic conditions, please contact Abigroup by phoning 1300 130 653.

Alternatively, email portriver@abigroup.com.au or log onto the project website www.transport.sa.gov.au/transport_network/projects/port_xpress.

Thank you for your cooperation and patience during construction.
