

Join us at a community open day for The Northern Connector Project

Sunday, 16 February from 11am to 3pm

The Northern Connector is a new six lane, 15.5 kilometre non-stop motorway, connecting the Northern Expressway, Port Wakefield Road, Salisbury Highway, South Road Superway and the Port River Expressway. Local businesses and over 600 South Australians have contributed to the construction of South Australia's first major concrete road.

What's happening:

- A free sausage sizzle
- Refreshments available for purchase, with proceeds going to local charities
- Free children's activities
- Construction equipment on display
- Bus tours on South Australia's first major concrete road

Location:

NorthHub (main site compound)
1277-1291 Port Wakefield Road
Waterloo Corner SA 5110

Parking available on site at NorthHub

DPTI would like to thank the community for their support and patience during construction and we ask that you continue to support local businesses.

Severe heat may impact this event. An update will be provided on the project website by noon the day before.
