

North-South Corridor

Northern Connector Project

Port River Expressway weekend closure and detours, 24-27 May

The Port River Expressway (PREXY) will be closed to all traffic in both directions between Hanson Road and the Salisbury Highway, for one weekend (weather permitting).

PREXY will be closed from 7pm, Friday, 24 May, continuously until 5am, Monday, 27 May.

Access will be maintained via two detours, refer to map. Signage and traffic management will be in place to advise of the changed conditions and direct motorists through the detours.

Delays may be experienced, so please plan ahead.

This closure will allow for the demolition of the Craig Gilbert Bridge over PREXY as part of the construction of the Southern Interchange.

Thank you for your patience while these important works are undertaken.
