

Mitcham Hills Road Corridor Upgrade

Russell Street, Main Road and Sheoak Road junctions ongoing early works

The South Australian Government is upgrading the Russell Street, Main Road and Sheoak Road junctions.

Early works are continuing with further service relocation activities required at various locations for telecommunications infrastructure and SA Water infrastructure main alterations.

What to expect

From Thursday, 15 June 2023, day works will be undertaken intermittently between 7am and 7pm Monday to Saturday, no works will be undertaken on Sundays. These early works are expected to be complete in late June 2023, weather permitting.

To safely complete the works and minimise service interruptions, night works will also be undertaken by SA Water between **7pm and 6am, Thursday, 15 June 2023 and Friday, 16 June 2023**, weather permitting.

The junction will remain open to traffic at all times with speed and lane restrictions in place while works are undertaken.

Please take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area. No changes to public transport services are planned during these works.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access.

Pedestrians and cyclists are advised to take care when travelling through the area. For safety reasons there may be some restricted access. Where required, signage will be in place to direct pedestrians and cyclists to alternative access and/or detours.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible. This includes scheduling more intrusive works in the early evening.

Individual service providers will advise separately of any potential interruptions to services during these works.

Further information

For more information, or to register for project updates please contact the project team via phone on 1300 794 880, by email to DIT.MitchamHills@sa.gov.au or by visiting www.dit.sa.gov.au/mitchamhills

We appreciate your patience and cooperation whilst these important works are undertaken.

Kind regards
