

Lower North East Road, Campbelltown Pedestrian Actuated Crossing

Night works notice

We are making it safer and more convenient for pedestrians and cyclists to cross Lower North East Road, Campbelltown

This project is funded by the \$168 million Road Safety Program, jointly funded by the Australian (50%) and South Australian (50%) governments.

What's happening

We are installing a new Pedestrian Actuated (push button) Crossing on Lower North East Road, outside the ARC Campbelltown recreation centre, between Atkell Avenue and Trafford Road.

To minimise traffic impacts to traffic during peak hours, a significant portion of these works will now be undertaken at night.

Night works will commence from **Sunday 9 August 2026** until late October, weather permitting.

How this affects you

To safely undertake these works, speed and lane restrictions will be in place during work hours. Please plan your trips, be cautious around workers, and follow directional signage.

Speed restrictions will remain in place outside of working hours, until project completion.

Pedestrians and cyclists, please be cautious when passing through the area. Some areas may have restricted access, with traffic controllers and on-site signage to guide you to alternative routes.

When

From Sunday 9 August until late October 2026, weather permitting

Hours of work

Day works:

Monday to Friday
9am – 2pm (revised)

Night works:

Sunday to Thursday
7pm - 6am

Where

Lower North East Road,
Campbelltown
