

Tea Tree Plaza Interchange

Night works notice

We are undertaking resurfacing works on the bus roadway at Tea Tree Plaza Interchange

What's happening

From 28 May 2026 we will be undertaking early works and resurfacing activity at the Tea Tree Plaza Interchange. Resurfacing works will be carried out on the bus interchange roadway.

To maintain bus services resurfacing works **will occur predominately at night**, some day and weekend works may also be required.

We will provide advance notice of any night weekend work.

How this affects you

These works will generate some noise, but we will do our best to minimise disruption. You may also notice odours at times, which is normal during asphalt works.

Access to Tea Tree Plaza and the Interchange Park 'n' Ride and access for local residents and businesses will be maintained at all times.

Bus stops and access

There will be some changes to bus stops and pedestrian access to the interchange during these works. Please take care when moving through the area and see onsite signage, visit adelaidemetro.com.au, or scan the QR code for more information.
