

ADVANCED WORKS NOTICE

Bicycle Pedestrian Actuated Crossing Installation

Fitzroy Terrace & Braund Road

Monday, 14 February 2022 – Late March 2022

This notice is to advise you of **upcoming works** to install a Bicycle Pedestrian Actuated Crossing (BPAC) at the intersection of Fitzroy Terrace and Braund Road, Fitzroy.

These works are being undertaken by DM Roads on behalf of the Department for Infrastructure and Transport to ensure a safe and efficient road network.

Works are scheduled to commence on **Monday, 14 February 2022, with expected completion by late-March**, weather permitting. The majority of works will be undertaken Monday to Friday, between the hours of 8am and 5pm, with some weekend and night works as required.

To safely facilitate these works, speed and lane restrictions will be in place while works are undertaken. Fitzroy Terrace (between Prospect Road and Torrens Road) will remain open. **Access to Braund Road, between Elderslie Avenue and Fitzroy Terrace, may be restricted at times during works with local detours in place.**

A traffic controller will be on site to direct traffic and ensure access to properties is maintained.

The BPAC will ensure pedestrians and cyclists can safely cross all lanes of traffic on Fitzroy Terrace and onto Braund Road.

Every effort will be made to minimise the impact of works however some noise and disruption is unavoidable.

We appreciate your cooperation and patience while these important works are undertaken.

For further information about these works, please contact DM Roads on 1300 012 413 or at dmroads.sa@dmroads.com.au

Kind regards

DM Roads Team
