

Gawler Rail Electrification Project

Works Notification

As part of the Gawler Rail Electrification Project, speed and lane restrictions will be required on Torrens Road.

Location: In the vicinity of the Torrens Road rail crossing in Ovingham, between Picton Street and Guthrie Street (refer to map).

Commencing: Thursday 20th February, for two days (weather permitting)

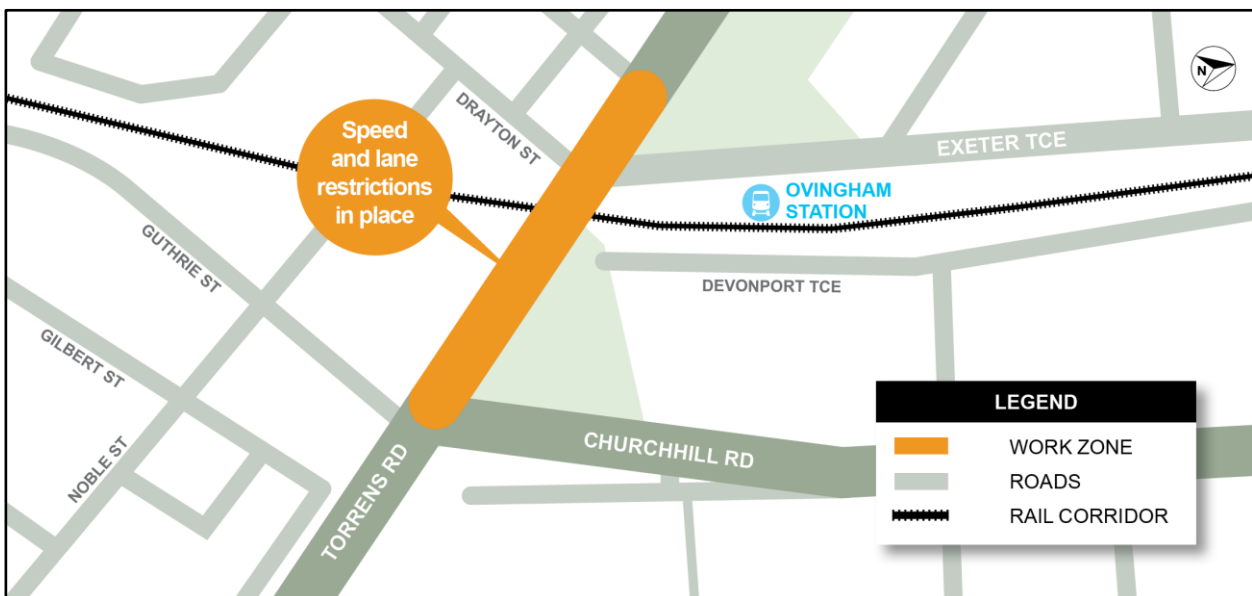

Workhours: Between 9am and 4pm

Activities: Surveying works within the rail corridor as it crosses over Torrens Road.

Traffic Management: Traffic on Torrens Road will be reduced to a single lane in each direction under traffic management. Signage will be in place to advise motorists of changed conditions.

Pedestrian detours will also be required. Signage and traffic controllers will be in place to advise and guide pedestrians to safe alternative crossings.

There will be no impact to train services as part of these works.

More information: To sign up for traffic updates, please contact the Project Information Line on 1300 080 834 or email your contact details to dpti.gawlerelectrification@sa.gov.au.

For more information about rail maintenance works, to access the rail maintenance activity calendar and to register to receive night works notifications in digital form, please visit www.dpti.sa.gov.au/worksnotification. Follow www.facebook.com/DPTISA for project updates, or contact the Project Team on 1300 080 834.

Thank you for your patience while these important works are undertaken.
