I am pleased to advise that on 6 April 2021 Council unanimously resolved to proceed with a submission of a Stage 2 Boundary Change General Proposal Submission with the following resolution:

‘That Council receive the report and:

1. note the outcomes of the consultation undertaken by McGregor Tan and the associated report
2. note the outcomes of the consultation undertaken with the City of Campbelltown residents and ratepayers
3. request Staff to prepare a Stage 2 Submission to the Boundaries Commission with respect to the boundary realignment between Campbelltown Council and Adelaide Hills Council.’

The proposal has been prepared in accordance with the Council Boundary Change Proposals Guideline No. 3 ‘Submitting a General Proposal to the Commission’. The proposal also includes consultation results from both Councils.

I would like to thank the Commission for their support in considering this matter.

Yours sincerely
