

SA LOCAL GOVERNMENT BOUNDARIES COMMISSION

MEETING MINUTES - Extract – Town of Gawler Stage 1 Proposal

Minutes of the meeting held on Monday 20 January 2020

Level 3, 02 Meeting Room

77 Grenfell Street

Agenda Item 6.1 - Town of Gawler – Stage 1 Proposal

The Commission discussed and considered the Council's potential proposal along with all relevant information.

The Commissions noted the significant amount of work undertaken by the Council and although repetitive in some parts, suggested that this proposals level of detail is what the Commission expects in a Stage 1 proposal.

The Commission agreed that the Council may refer a general proposal for the Commission's consideration if it wishes to do so.

The Commission agreed with the Officers briefing paper which suggested the Commission alert the Council that s 30 of the *Local Government Act 1999* allows for Administrative proposals, which the Council may wish consider referring an Administrative proposal to the Commission where proposed boundary changes are minor administrative matters.

The Commission noted the concerns addressed in the correspondence from Light Regional Council and a number of local businesses; however this would need to be taken into consideration when investigating a "General Proposal" if it advanced to that stage.
